SUMMER CAMPS @WPU

JULY 13-16

FOR RISING 9TH-12TH GRADERS. **EARN COLLEGE CREDIT.**

EXPLORE YOUR PASSION. **EXPERIENCE** A TRUE COLLEGE SETTING. **IMMERSE** YOURSELF IN NEW OPPORTUNITIES. **ADVENTURE** AWAITS.

WILLIAM PEACE UNIVERSITY is located in the heart of downtown Raleigh and our campus offers state-of-the-art facilities. **Our high school summer camps** offer immersive learning experiences in a variety of disciplines with leading experts in their fields.

ARCHAEOLOGY BOOT CAMP

Are you ready to get dirty? Here is your chance! Learn practical skills in mapping and compass orientation, take part in a real excavation, and discover if you have what it takes to explore the unknown! See how data and discovery can reveal the secrets of past civilizations.

FACULTY: *Ms. Xandra Daniels, Assistant Professor of Communications*
CAMP SIZE: *15 students, maximum*

RESEARCH IN STREAM ECOLOGY

Get hands-on experience doing ecological research in Raleigh's Crabtree Creek. Work with leading experts who have been studying it for decades and immerse yourself in the exciting world of science. Collect samples, analyze them in the lab, interpret your data and learn to report and present it.

FACULTY: *Dr. Lisa Bonner and Dr. Patrick Myer*
CAMP SIZE: *15 students, maximum*

MUSIC TECHNOLOGY & WRITING MUSIC

This camp will mentor students in the art of contemporary songwriting/composing and how to navigate the world of music technology being used in media today (movies, television, Broadway, video games, radio, etc.). Students will experience hands-on learning of music technology while simultaneously learning the craft of writing music.

No prior music knowledge or experience required. Students at all levels are welcome.

FACULTY: *Mr. Matt Hodge, MFA, Assistant Professor of Musical Theatre*
CAMP SIZE: *15 students, maximum*

APPLY TODAY:
PEACE.EDU/SUMMERCAMPS

DOCUMENTING DOWNTOWN RALEIGH

Learn about Raleigh's development while creating a multimedia website that sheds light on the changing face of Downtown Raleigh. Students will hone their skills in research and writing, as well as creating multimedia content for podcasts, videos, and interactive graphics.

FACULTY: *Ms. Marti Maguire, Assistant Professor of Communications and Mr. Justin Johnson, Assistant Professor of Communications and Simulation Game Design*
CAMP SIZE: *12 students*

SPORTS AND SPIRITUALITY IN PURSUIT OF HUMAN HAPPINESS–A DESIGN THINKING APPROACH

How does Lebron James use a meditation app to achieve his incredible success on the court? Join this camp to find out! Join WPU faculty and fellow students as you explore the role of sports, games, and spirituality in the pursuit of human happiness and connection. Students will seek out experiences of flow and meditation, collective effervescence, new insights and embark on a design-thinking approach to develop their own activities and findings.

FACULTY: *Dr. Christopher Born*
CAMP SIZE: *15 students, maximum*
